**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are so fed up with A T & T and the big companies that want to take advantage of us the small businesses, by trying to monopolized the internet and telephone services. If they succeed, we are going to be facing with ridiculous high prices, and all that for what, so they can make more money on us.

It is imperative, that DO NOT let the big business get away with this. Its time that some one gets behind us the small business, schools and homes.

Thanks for not letting them get away with this!
